Adaptability

Problem Solving

Communication

Multitasking

HUDSON DAVIE GACER

I'm a first-year BSIT student at JMC with a passion for technology and problem-solving skill. I'm a quick learner, adaptable, and enjoy working with others to find creative solutions. I have experience in online communities and digital spaces, and I'm organized and efficient in handling tasks. I'm looking for an opportunity to learn, grow, and contribute in my work.

EXPERIENCE
